

Special Olympics Nebraska impacts the lives of everybody it touches.

In Nebraska alone, we need more 5,000 volunteers annually to fulfill our mission to provide year-round sports training and competition, leadership training, coaching and working with youth and schools.

There is a place for everyone who is interested in helping forward our mission.

Events and competitions are held throughout the year across the state and you can be a part of creating life-changing experiences and memories.

What can volunteers do?
