Level A Athletics for 2021

The following events will be the only events offered this year for Level A Athletics. Athletes may participate in up to 3 events. All events will be ran/thrown at your own track during practices. We will not have a big in person competition this year. You will still be divisioned once we receive your qualifying times/distances from your coach. Then you will run/throw again at a practice and turn in that time to the state office. Both your qualifying time and your final time should be sent into twolf@sone.org We will post the results on the SONE website and send the HOD's the medals and ribbons.
