

Nebraska Special Olympics order of event for swimming for Regional and State events.

Level A swimming only. Meet director if you combine Level A with traditional swimming at your meet, feel free to put these events in with traditional however you see fit.

Start with longest swims and get shorter. Then finish with the walks. Add floats and assisted as we register the athletes this year. Write race 1,2,3, etc. on the top of the heat sheets. This will help with staging. Also have a volunteer runner position to look for athletes to help stage for the next race so they are ready to go.

1. 25 Y Assisted Swim
2. 25 Y Floatation Race
3. 25 Y Floatation Backstroke
4. 15 Y Assisted Swim
5. 15 Y Floatation Race
6. 15 Y Backstroke
7. 15 Y Unassisted Swim
8. 15 Y Kickboard
9. 15 Y Walk

Meet directors:

If you an event that someone swims that is not on this list, please try to combine it with one that is already on the list. If this is not possible you can either put the event where you feel it will be best or you can add it to the end of the meet.
