1. GOVERNING RULES

The Official Special Olympics Sports Rules for Golf shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon International Golf Federation found at <http://www.igfgolf.org/> National Governing Body (NGB) rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Golf or Article I. In such cases, the Official Special Olympics Sports Rules for Golf shall apply. Additional rules clarifications related to individuals with disabilities (for example visually impaired or wheelchair bound athletes) can be found on the R&A or USGA website.

Refer to Article 1, <http://media.specialolympics.org/resources/sports-essentials/general/Sports-Rules-Article-1.pdf>, for more information pertaining to Codes of Conduct, Training Standards, Medical and Safety Requirements, Divisioning, Awards, Criteria for Advancement to Higher Levels of Competition, and Unified Sports.

2. OFFICIAL EVENTS

The following is a list of official events available in Special Olympics:

- 2.1 Level 1 — Individual Skills Competition
- 2.2 Level 2 — Unified Sports Alternate Shot Team Play Competition (9-hole)

3. GENERAL RULES AND MODIFICATIONS

3.1 Eligibility Criteria

- 3.1.1 The following criteria should be followed during competition and when moving between levels.
- 3.1.2 The standard for eligibility is for an athlete and Unified partner to have completed an Individual Skills Competition with a total score of at least 60 points. In addition, the athlete should score 10 points or more in at least four out of the six skills, with one of the four scores of 10 being in either the wood or iron shot. The athlete should also achieve a minimum of five points in the two skills that total less than 10. If the athlete is scoring above 100 in the ISC (minus the bunker shot), it is recommended that they begin participating in Level 2 competitions.
- 3.1.3 Required Averages
 - 3.1.3.1 When considering moving up in levels, the following scores are the required averages that the athlete must have when practicing:
 - 3.1.3.1.1 Level 2 to Level 3 = average of 120 or lower (team score)
 - 3.1.3.1.2 Level 2 to Level 4 = average of 70 or lower (athlete only score)
 - 3.1.3.1.3 Level 3 to Level 4 = average of 70 or lower (athlete only score)
 - 3.1.3.1.4 Level 3 to Level 5 = average of 120 (athlete only score) or lower

- 3.1.3.1.5 Level 4 to Level 5 = average of 120 (athlete only score) or lower
 - 3.1.4 Maximum Averages
 - 3.1.4.1 The following are maximum averages for each level of competition that will be enforced at all sanctioned competitions. Scores not meeting these criteria may be subject to disqualification.
 - 3.1.4.1.1 Level 2 – average of 70 or lower
 - 3.1.4.1.2 Level 3 – average of 120 or lower (18 holes)
 - 3.1.4.1.3 Level 4 – average of 70 or lower
 - 3.1.4.1.4 Level 5 – average of 120 or lower

- 3.2 Golf Carts
 - 3.2.1 The decision to offer the use of power golf carts will be left to the discretion of the specific Tournament Committee.

- 3.3 Slow Play
 - 3.3.1 For the purpose of preventing slow play, the Committee may, in the conditions of a competition (Rule 33-1), establish pace of play guidelines including maximum periods of time to complete a stipulated round, a hole, or a stroke.
- 3.4 Attire
 - 3.4.1 Appropriate golf attire is required and determined by the tournament committee for all levels of play.
- 3.5 Caddies
 - 3.5.1 It is strongly recommended that athletes competing in Levels 4 and 5 provide their own caddies for tournaments and competitions.
 - 3.5.2 As per the USGA, a caddie is defined as “one who assists the player in accordance with the Rules, which may include carrying or handling the player’s clubs during play.”
 - 3.5.3 If you choose to not bring a caddie, it is not the responsibility of the tournament committee to provide a caddie at the competition.
 - 3.5.4 For tournaments and competitions, coaches can assume the role of a caddie, with the understanding they will relinquish their coach privileges (ie. ability to file a protest) during the competition.
 - 3.5.5 A caddie should not be utilized for Levels 2 where the Unified partner would assume the role of providing advice to the athlete, including club selection, course management, keeping of the scorecard and etiquette.
- 3.6 Equipment
 - Each player is responsible for providing his/her own equipment, including:
 - 3.6.1 A set of clubs (No more than 14 clubs)

5. LEVEL 2 — UNIFIED SPORTS ALTERNATE SHOT TEAM PLAY COMPETITION RULES (9 HOLE)

- 5.1 Team Definition
 - 5.1.1 A team shall consist of one athlete with an intellectual disability and one Unified partner without an intellectual disability.
- 5.2 Purpose for this Level of Play
 - 5.2.1 For Special Olympics athlete golfers with an entry level of understanding of golf, this level is designed to give the Special Olympics athlete an opportunity to transition from individual skills to individual play and to progress under the guidance of a Unified partner whose ability and knowledge of golf is more advanced than that of the Special Olympics athlete. As a result, this scenario does not function in the traditional Unified Sports model where teammates are expected to be of similar ability. The Unified partner serves as a coach and mentor so that the Special Olympics athlete becomes self-sufficient on the golf course.
 - 5.2.2 For more experienced Special Olympics athlete golfers, this level is also designed for athletes and Unified partners that have comparable ability levels and knowledge of the sport. This scenario would more closely resemble the traditional Unified Sports model whereby the teammates would be of similar ability. Even if the athlete has the skill set to play individually in Level 4, he/she may choose to continue playing at Level 2.
- 5.3 Form of Play

- 5.3.1 The form of play will be Foursome Rule 29 under the Rules of Golf (Alternate Shot) — The players play alternately from the teeing grounds and then alternate strokes until the ball is holed.
- 5.3.2 Example: If Player “A” plays from the tee on the odd-numbered holes, then Player “B” would play from the tee on the even-numbered holes. Only one ball is in play on a hole.
- 5.4 Scoring
 - 5.4.1 Once the ball is in play on each hole, the players shall alternate turns hitting the ball until the ball is holed, or until 10 strokes have been played. Note: a swing and miss count as a stroke.
 - 5.4.2 If a 10th stroke is played without holing the shot, the team shall record a score of 10x and proceed to the next hole.
 - 5.4.3 Scoring (marking of cards) — Athletes should be taught to keep score and, whenever possible in competition, serve as a marker for a fellow competitor. The Tournament Committee may also appoint a volunteer or partner to serve as a marker. Both players on the team should verify their team’s hole-by-hole scores, and one of the players -- preferably the athlete with an intellectual disability-- shall sign the scorecard.
- 5.5 Ties
 - 5.5.1 First-place ties shall be decided in the following manner:
 - 5.5.1.1 Of the teams tied for first place, the team with the fewest number of 10x scores shall be declared the winner.
 - 5.5.1.2 If a playoff is not feasible, the matching of scorecards is recommended. There are many options for matching cards, which can be found in the USGA and R & A Rules of Golf under Appendix I Part C: Conditions of Competition — How to Decide Ties. Please note that the tie -breaking method must be stated in the Conditions of Competition prior to the start of the tournament.
 - 5.5.2 All other ties shall remain as ties and both teams should be presented with the same award.
- 5.6 Stipulated Round
 - 5.6.1 A stipulated round shall be nine holes.
 - 5.6.2 At the discretion of the Tournament Committee, a championship may be contested over one, two, three or four rounds.
- 5.7 Tournament Venue Selection
 - 5.7.1 The selection of the golf course shall be at the discretion of the Tournament Committee.
 - 5.7.2 The Committee should consider the degree of difficulty and its impact on the conduct of the tournament.
- 5.8 Golf Course Setup
 - 5.8.1 The golf course shall be set up at the discretion of the Tournament Committee. They are encouraged to provide alternate teeing ground locations on each hole for the Special Olympics players using the following guidelines:
 - 5.8.1.1 Avoid any shots that require the golfer to carry a distance of greater than 47 meters (50 yards) over hazards or other obstacles, anywhere on the golf course.
 - 5.8.1.2 Create holes that do not exceed following measurements:
 - 5.8.1.2.1 Par 3:137 meters (150 yards)
 - 5.8.1.2.2 Par 4:320 meters (350 yards)
 - 5.8.1.2.3 Par 5:434 meters (475 yards)
 - 5.8.2 The Tournament Committee is authorized to designate teeing grounds for the competition that are not consistent with the recommended restrictions for the length of holes and for

forced carries to provide the fairest challenge and the best possible experience for all of the competitors.

5.9 Registration and Divisioning

5.9.1 Each team shall register by submitting the most recent six scores under this format.

5.9.1.1 For local/area events, especially early in the golf season, the Tournament Committee can determine the minimum number of scorecards needed for initial registration.

5.9.1.2 For National, Regional and World Games, the minimum number of scorecards to be submitted for initial registration is 6.

5.9.2 The scores must be accompanied by the par, course and slope rating for the course for each score.

5.9.3 All scores must be verified by signature of the Golf Professional, Club Secretary or Golf Association Director.

5.9.4 If a classification round cannot be played, the Tournament Committee may use these scores to establish divisions for tournament play.

6. LEVEL 3 GOLF — UNIFIED SPORTS ALTERNATE SHOT TEAM PLAY COMPETITION RULES (18 HOLE)

6.1 Definition of a Team

6.1.1 A team shall consist of one athlete with an intellectual disability and one Unified partner without an intellectual disability.

6.2 Purpose for this Level of Play

6.2.1 For the Special Olympics athlete golfer that has a basic to moderate level understanding of golf, this level is designed to give the Special Olympics athlete an opportunity to transition from Level 2 to Level 3 and to progress under the guidance of a Unified partner whose ability and knowledge of golf is more advanced than that of the Special Olympics athlete. As a result, this level does not function in the traditional Unified Sports model where teammates are expected to be of similar ability.

6.2.2 For more experienced Special Olympics athlete golfers, this level is also designed for athletes and Unified partners that have comparable ability levels and knowledge of the sport. This scenario would more closely resemble the traditional Unified Sports model whereby the teammates would be of similar ability. Even if the athlete has the skill set to play individually in Level 4 or 5, he/she may choose to continue playing at Level 3.

6.2.3 This level of play is designed for an alternative type of competition for the player capable of playing at Level 4.

6.2.4 The players should be capable of playing independently.

6.3 Form of Play

6.3.1 Foursomes – Rule 29 of the Rules of Golf (Alternate Shot) The players play alternately from the teeing grounds and then alternate strokes until the ball is holed. Example: If Player “A” plays from the tee on the odd-numbered holes, then Player “B” would play from the tee on the even-numbered holes. Only one ball is in play on a hole.

6.4 Scoring

6.4.1 Once the ball is in play on each hole, the players shall alternate turns hitting the ball until the ball is holed or until 10 strokes have been played.

- 6.4.2 If a 10th stroke is played without holing the shot, the team shall record a score of 10x and proceed to the next hole.
- 6.4.3 Scoring (marking of cards) — Athletes should be taught to keep score and, whenever possible in competition, serve as a marker for a fellow competitor.
